Sir,

Removal of Meters from Government Buildings and Levy of flat water rate at Bangalore

---

20/2

Flag A

I have the honour to state that sanction of Government was accorded in their order No L 2105-7/M1 66-45-18 dated 5-8-1946 to the removal of water meters in Government Buildings in Bangalore City and to the levy of flat water rate based on the monthly consumption of water with the direction that a report on the working of this arrangement should be submitted at the end of two years

The Executive Engineer, Water Supply Division, has now reported that the time limit of 2 years fixed in the Government Order dated 5-8-1946 has to be counted with effect from 1-7-1945 as the bills on the flat rate basis were prepared from that date and sent to the concerned Departments from that date for payment, - Though the scheme was put into operation from November 1946 after the issue of Government Order No L 5021-3/M1 46-45-11 dated 14-11-46 It is stated that the scheme is certainly advantageous and worth trial for a longer period

As the currency of the Government Order lapsed on 1-7-1947, I request that sanction of Government to the levy of flat water - rate for a further period of three years from 1-7-1947 may kindly be communicated so that the full implications of the scheme in - operation may be adequately gauged

I have the honour to be
Sir,
Your most obedient servant,

SS 13/2

CHIEF ENGINEER FOR IRRIGATION
